

Elizabeth Konoski, DVM

Practice Limited to Emergency & Critical Care

Elizabeth Konoski, DVM has been practicing exclusively emergency medicine since graduating in 2002 from Michigan State University. Immediately after graduation, she practiced at a high volume and progressive emergency clinic in southern California.

She returned to Michigan in April 2004 to help initiate the Oakland Veterinary Emergency and Critical Care department of OVRS.

Dr. Konoski is a member of the Veterinary Emergency and Critical Care Society, Southeastern Veterinary Medical Association, American Veterinary Medical Association, and American Animal Hospital Association. Her special interests include emergency surgery, pain management and endoscopic foreign body retrieval.
