

## *Veterinarian Profile*

---

**AUNNA C. LIPPERT, DVM, MS**  
**Diplomate, American College of Veterinary**  
**Anesthesiologists**  
**Diplomate, American College of Veterinary Internal**  
**Medicine**

**Aunna C. Lippert, DVM, MS** is board certified by both the American College of Veterinary Anesthesiologists and the American College of Veterinary Internal Medicine, Subspecialty of Small Animal Internal Medicine. She received her D.V.M. degree from the Ontario Veterinary College in 1982, then spent a year in private practice in southern Ontario. After completing an internship in Small Animal Medicine and Surgery at the University of Illinois, she spent five years in residency training at the Michigan State University Veterinary Teaching Hospital.

She has been providing specialty services in the Southeastern Michigan area since 1990. Her special interests include gastrointestinal disease, endocrinopathies, immune-mediated disease, infectious disease, renal disease, respiratory disease and hematologic disease. She is available to perform anesthesia or to consult on anesthesia for high-risk patients. She is currently the only board certified anesthesiologist in private practice in Michigan.

Dr. Lippert is a member of the American Veterinary Medical Association, the Southeastern Michigan Veterinary Medical Association and the Cornell Feline Health Center.
